2010 Charity Classic

Supporting Local Children in Need for 12 Years

Since its beginning in 1998, the Everglades Region CMAA Charity Classic has raised hundreds of thousands of dollars in support of local charities. These proceeds have made countless wishes come true for children with very special needs right here in our community.

The Charity Classic is a wonderful way for you to join local club managers in making even more wishes come true. This year's events will take place at the beautiful facilities of Naples Yacht Club. It all starts with the Classic Gala on October 24th. This Sunday evening fundraiser will include exciting auctions, cocktails and enticing hors d'oeuvres. Come as a couple or fill an entire table. It will be an evening you won't soon forget.

The Classic Golf Tournament on October 25th will top the list of the region's very best. Enter your foursome or we'll match you with other players. Proceeds from the Charity Classic will benefit The Wishing Well Foundation and Special Olympics.

These charities fill needs in our community that would not be met otherwise. The tireless efforts of both organizations enrich the lives of life threatening or especially challenged youngsters by granting individual wishes and organizing group events.

Please join us in helping the many, many children in Southwest Florida that are counting on our generosity.

Our Beneficiaries

**The Wishing Well
Foundation, Inc.**

The Wishing Well Foundation, Inc. provides cherished moments for children in Lee and Collier Counties who have life threatening illnesses. Founded in 1994 by a group of volunteers, Wishing Well is not affiliated with any national organization, and depends on organizations such as the Club Managers Association for funding that enables outings of a lifetime for stricken children.

Special Olympics is an international organization that empowers children and adults with intellectual disabilities to become physically fit, productive and respected members of society through sports training and competition.
